Dear Sir,

The attached TRANSMITTAL FORM is to amend errors found on initial filing spec of application number 10/669,410, filing date 09/25/2003. Specifically, there are two errors, detailed as follows, that need to be corrected.

1. Title error on filing record. The title of record now is "Mobil phone companion apparatus to provide". And it needs to be changed to correct title of "A mobile phone companion apparatus to provide".

Note that the typo error of "mobil" needs to be corrected. See attached documents, labeled A; for page 1 of confirmation letter from USPTO showing the incorrect title, and B; for the 1st page of patent spec showing the correct title.

2. Wrong figure cited in text reference. On page 5 of submitted spec, the last sentence of top paragraph cites "**Fig. 2D**" for voltage output VD. It is incorrect and need to be change to "**Fig. 2B**". Please replace page 5 of the submitted spec with attachment C, the page with correct content.

Thank you very much.
